MEMORANDUM

TO: D. ALBREY ARRINGTON, Executive Director

FROM: CLINTON R. YERKES, Deputy Executive Director *CEI*

DATE: AUGUST 13, 2015

SUBJECT: ROLLING GREEN ROAD LOW PRESSURE SEWER SYSTEM
Award of Construction Contract

The Rolling Green Road property owners (25) were notified in March, 2012 of the District's intent to sewer the area and the proposed schedule. The project was determined to be most suitable for a low pressure sewer system. A Notice of Intent to Assess was approved and engineering contract was awarded to Holtz Consultant Engineers in March, 2015.

Design was completed and bids were solicited on July 12, 2015. The originally scheduled bid opening of August 11th was postponed until August 18th due to a delay in issuance of a permit from Palm Beach County.

Upon receipt of bids the Engineer will evaluate and provide a recommendation of the contractor and amount of the contract prior to the Board meeting.

The following form of motion is suggested for approval when the blanks are filled in:

“THAT THE DISTRICT GOVERNING BOARD authorize award of contract to _____ for the ROLLING GREEN ROAD LOW PRESSURE FORCE MAIN SYSTEM contract in accordance with their bid dated August 18, 2015, in an amount not to exceed \$ _____ .00.”

And

THAT THE DISTRICT GOVERNING BOARD authorize a contingency amount of \$ _____ .00.”
