Ms. Figueroa:

During our recent conversations you expressed the desire to be allowed to piggyback onto the new Southeast Cooperative Chlorine Gas Bid No. 452-11496.

In order to accomplish this, since your current price expires on 2-28-15 and to make sure you have pricing in our system we are willing to extend your current bid price of \$283.73 per ton until 3-10-15, so it will end one day before the new Southeast Cooperative price of \$345.00 per ton begins.

This letter hereby serves to inform you that Allied Universal Corp will allow Loxahatchee River District to piggyback onto the Southeast Cooperative Bid No. 452-11496 for Chlorine Gas.

Chlorine Gas Tons Price \$345.00 per Ton.
Price effective from 3-1-15 to 3-10-16

If you are in agreement with this letter and accept the terms and conditions of the Southeast Cooperative Bid and the offer to extend the pricing as specified above, please acknowledge your acceptance by signing this letter and returning to my attention.

Thank you for your continued cooperation and for allowing us to be of service. If you have any question or concerns please contact me @ 305-888-2623 xt. 0160.

Respectfully,

ALLIED UNIVERSAL CORP.
