D. Albrey Arrington, Ph.D., Executive Director

MEMORANDUM

TO: GOVERNING BOARD
FROM: D. ALBREY ARRINGTON, Ph. 
DATE: FEBRUARY 11, 2015
SUBJECT: NEIGHBORHOOD SEWERING – JUPITER INLET COLONY

On March 21, 2014 the LRD Governing Board approved the Interlocal Agreement Between Jupiter Inlet Colony, the Loxahatchee River Environmental Control District, and the Village of Tequesta for Joint Participation And Project Funding of the Jupiter Inlet Colony Neighborhood Rehabilitation. The Interlocal Agreement was fully executed by Jupiter Inlet Colony and the Village of Tequesta in April, 2014.

Jupiter Inlet Colony has proposed moving the lift station from Como Park to 50 Colony Road to address concerns of their residents. The proposed lift station location has been reviewed by engineers and found to be suitable. Jupiter Inlet Colony has entered into a contract to purchase 50 Colony Road, and expects to close on the property before your March 19, 2015 meeting.

Because the Interlocal Agreement specifically identified the location for lift station installation, it is necessary to revise the Interlocal Agreement to allow installation of the lift station in an alternate location (as requested by Jupiter Inlet Colony). I anticipate bringing an amended and restated Interlocal Agreement to you for approval at your March 19, 2015 meeting.

No Board action is requested at this time.
