MEMORANDUM

TO: D. ALBREY ARRINGTON, Ph.D.
Executive Director

FROM: CLINTON R. YERKES
Deputy Executive Director

DATE: MAY 14, 2015

SUBJECT: INJECTION WELL PUMP
Authorize Emergency Purchase

The Deep Injection well is a critical part of the plant operations, providing disposal option for excess IQ water and treated effluent. A recent inspection of the pumps found that a critical portion of Pump #2 unit had deteriorated, was leaking and in need of significant repairs. However, as we go into hurricane season it was not an opportune time to remove the pump without a backup available. Repairs were expected to require several weeks.

Loss of full functionality of the deep injection well represents a threat to public health, safety, and welfare especially during hurricane season.

This Emergency pump purchase allows us to take the damaged pump out of service and have a replacement readily available. This will allow us in the future to maintain full pumping capacity during service of pumps and to always have a backup pump available for this extremely critical area of the plant.

This purchase is brought to the Board since the purchase is in excess of \$35,000 and was executed as an Emergency Purchase on May 4, 2015.

The following motion is suggested for approval of this item:

"THAT THE DISTRICT GOVERNING BOARD approve the purchase of 1 new Layne Vertiline 2 stage vertical turbine pump and 1 discharge head for the Deep Injection Well from Barney's Pumps, Inc., in the amount of \$39,408.00."

FROM: HAZEL FIGUEROA, CPPB
PURCHASING AGENT

DATE: MAY 1, 2015

SUBJECT: EMERGENCY REPAIR/PURCHASE DETERMINATION
INJECTION WELL #2 PUMP AND DISCHARGE HEAD REPLACEMENT

COPY

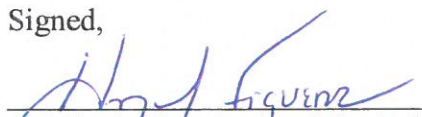

I, Hazel Figueroa, have determined that the subject purchase is necessary to maintain essential operations of the District, and to avoid a threat to the public health, safety and welfare or the protection of District property would not be able to be possible through normal procurement procedures.

To the extent possible the District has selected competent and qualified firms including a competitive selection process.

Category 3 Purchases shall be submitted to the Board for approval within 30 days of the date of the Purchase Order or Contract including memo with complete details and a copy of the Purchase Order.

A description of the emergency condition is attached.

Signed,

As District Purchasing Principal
