MEMORANDUM

TO: GOVERNING BOARD
FROM: D. ALBREY ARRINGTON, Ph.D.
DATE: MAY 14, 2015
SUBJECT: PROPOSED REVISION OF RULE 31-10 RATES, FEES, CHARGES

In March the Board approved revisions to District Rule Chapter 31-10. Through implementation of those changes staff identified a few areas of the Rule that need to be revised. The proposed revisions fall into four categories:

1. Clarifying definitions
 - a. Non-residential Unit definition was clarified (page 2 of the rule)
 - b. Owner is now defined (page 6)
2. Clarifying categories of non-residential uses and associated equivalent connections (page 8-9)
3. Clarifying that the quarterly service charge for trailer parks and RV parks are billed at a flat rate based on the number of equivalent connections (page 15).
4. Provided a grandfather clause regarding tenants established as the quarterly service charge bill recipient prior to April 1, 2015 (page 16).

None of these proposed revisions cause a change in how the District conducts business. Rather, these revisions are to clarify the District's position on a these particular matters.

This month these revisions are only being offered for consideration. No action is necessary this month. We will bring the revised rule and any suggested revisions back for a public hearing and your consideration for approval next month.
