MEMORANDUM

TO: D. ALBREY ARRINGTON, Ph.D., Executive Director

FROM: CLINTON R. YERKES, Deputy Executive Director

DATE: November 10, 2015

SUBJECT: AUTHORIZE PURCHASE
ARTICULATING BOOM-LIFT

This is a budgeted item in this year's budget, specifically requested by the Plant Operations personnel.

This equipment will be used for many routine maintenance items around the plant and respond to maintenance items in a timely manner. Additionally, this equipment will be required for the installation of wall panels on the Sludge Dewatering Building, as District personnel continue to perform maintenance.

This purchase is being made through pricing obtained by the U.S. General Services Administration, GSA Advantage Contract. The District has obtained approval from GSA to utilize this service.

A suggested motion is:

"THAT THE DISTRICT GOVERNING BOARD authorize the purchase of the JLG Industries Contract, Articulating Boom Lift, in accordance with the U.S. GSA Advantage contract, and in an amount not to exceed \$54,869.23."

Should you have any questions in regard to this matter please contact me or Tom Vaughn.
