MEMORANDUM

TO: D. ALBREY ARRINGTON, Ph.D., Executive Director

FROM: CLINTON R. YERKES, Deputy Executive Director *Cey*

DATE: OCTOBER 1, 2015

SUBJECT: AWARD OF ANNUAL CONTRACT
GENERAL MAINTENANCE & REPAIR SERVICES

During the course of a year numerous mid-size projects arise that District crews are unable to address for various reasons (e.g: equipment, time, expertise, etc.).

In order to address these projects in a timely manner, Mr. Dean has prepared a bid form adequate to address projects expected in the next year and general enough to be used for several years. Under the General contract individual jobs will be awarded using the unit prices bid. Typical projects will be under \$35,000.00, but contractor will also be available for emergency work using the unit prices bid, and larger projects with Governing Board approval.

Bids were solicited and received from 5 vendors. The Engineers recommendation and a summary of the bids is attached for your review.

The following motion is suggested for award of this contract:

"THAT THE DISTRICT GOVERNING BOARD authorize award of an initial 2 year contract with Felix and Associates of Florida, Inc. for 'General Maintenance / Repair Services for Wastewater and Reclaimed Water', in accordance with the District Bid Solicitation #ITB 15-005-CTS and their bid dated September 15, 2015, and not to exceed \$311,497.30."

Should you have any questions in regard to this item please contact Kris Dean or me.
