MEMORANDUM

TO: D. ALBREY ARRINGTON, Ph.D., Executive Director

FROM: CLINTON R. YERKES, Deputy Executive Director
TOM VAUGHN, Director of Operations

DATE: OCTOBER 7, 2015

SUBJECT: REAUTHORIZATION OF ANNUAL CONTRACT
Evoqua Water Technologies LLC

In September, 2014 the Board authorized renewal of a contract with Evoqua Water Technologies, LLC for provision of odor control materials and services in the amount of \$595,000.00. Operations Department has stated that we will exceed the authorized amount at the end of the 2015 fiscal year, and requests that the contract be reauthorized at \$650,000.00.

The increased costs are primarily related to trying to minimize odors in the sludge loading area.

Staff has been working with Evoqua and others to find less expensive, but as effective materials to control the odors in this area of the process.

The following motion is suggested:

"THAT THE GOVERNING BOARD reauthorize the contract with Evoqua Water Technologies, LLC, for the period from October 1, 2014 to September 30, 2015, to a not to exceed amount of \$650,000.00."

Should you have any questions concerning this matter please contact Tom Vaughn or me.
