MEMORANDUM

TO: D. ALBREY ARRINGTON, Ph.D.
Executive Director

FROM: CLINTON R. YERKES
Deputy Executive Director

TOM VAUGHN
Director of Operations

DATE: SEPTEMBER 10, 2015

SUBJECT: AUTHORIZE PURCHASE
ODOR CONTROL CONTRACT - EVOQUA

This is a budgeted item in the FY 2016 budget in the amount of \$595,000.

This contract is a “piggy-back” to the Manatee County Contract with EVOQUA Water Technologies for an annual contract. The Manatee contract expires at the end of this year and will be rebid. The requested authorization at this time is for the period from October 1, 2015 to January 31, 2016.

Staff will return after Manatee County has rebid the contract for pricing for the remainder of the fiscal year, and review of other contracts with local governments for the best pricing.

This is an annual expense to provide odor control in the collection system and the treatment facility.

The following motion is suggested:

“THAT THE DISTRICT GOVERNING BOARD authorize approval of the contract with EVOQUA Water Technologies, Inc., for unit pricing not to exceed \$250,000.00.”

Should you have any questions regarding this contract please feel free to contact Tom Vaughn or me.
